Beginners Squash & Racketball club sessions

Beginners are welcome to attend two sessions of squash or racketball each week – every Wednesday 1330 – 1500 and every Sunday 0900 - 1030 – sessions will comprise beginners coaching and free play with other beginners.

Goggles/Equipment can be provided and each session will be lead by Nigel Northcott a level one coach. It is recommended that after the first month – players should purchase their own racket.

Non ASRC members are invited to play for one month without any charge. After that time – a fee of £3 per session is payable or £5 a week for both sessions.

ASRC members may attend the sessions at no cost.

New players are welcome to join our club, there is a monthly pro-rata reduction in the membership fee if you join during the year.

Nigel
Level I Squash Coach
Abingdon – April 2017
